Second Regular Session 112th General Assembly (2002)

PRINTING CODE. Amendments: Whenever an existing statute (or a section of the Indiana Constitution) is being amended, the text of the existing provision will appear in this style type, additions will appear in **this style type**, and deletions will appear in ~~this style type~~.

Additions: Whenever a new statutory provision is being enacted (or a new constitutional provision adopted), the text of the new provision will appear in **this style type**. Also, the word **NEW** will appear in that style type in the introductory clause of each SECTION that adds a new provision to the Indiana Code or the Indiana Constitution.

Conflict reconciliation: Text in a statute in *this style type* or ~~this style type~~ reconciles conflicts between statutes enacted by the 2001 General Assembly.

SENATE BILL No. 444

A BILL FOR AN ACT to amend the Indiana Code concerning professions and occupations.

Be it enacted by the General Assembly of the State of Indiana:

1 SECTION 1. IC 25-17.6-7-1, AS AMENDED BY P.L.17-1999,
2 SECTION 29, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
3 JULY 1, 2002]: Sec. 1. The following persons are exempt from the
4 requirements of licensure under this article:

5 (1) An officer or employee of the United States government ~~state~~
6 ~~government; or local government~~ while engaged in providing
7 geological services for the officer's or employee's employers.

8 (2) A person engaged solely in geological research or the
9 instruction of geology.

10 (3) A person not engaged in the public practice of geology.

11 (4) A professional engineer registered under IC 25-31 who applies
12 geology to the practice of engineering.

13 (5) A soil scientist who is certified as a soil classifier or soil
14 scientist by the American Registry of Certified Professionals in
15 Agronomy, Crops and Soils (ARCPACS) and the Indiana
16 Association of Professional Soil Classifiers (IAPSC) and who
17 applies geology in the practice of soil science.
